Top 8 wishes from students for the return to in-person learning

1. Recorded classes available for review later
2. Flexibility with assignment due dates
3. Weekly emails from instructors with upcoming due dates and more
4. Open note exams
5. Online exams that allow flexibility with start and stop times
6. Zoom office hours and review sessions
7. Asynchronous instructional days occasionally throughout the semester
8. A "live chat" feature with in-person classes

Data collected from 700+ undergraduates at UNC-Chapel Hill
